The days of the school year ~~is~~ are scarcely numbered. But threw the short but full time that I've been here. I found you to be one of the most influential and elitely sweet people in our class. The emotions are distilled to a state of stillness. Leaving with that thought I would just like to say Have a swinging summer and a vicious vacation. Love Kino

Hey Babe, our year started on the right, then we walked for quite awhile on our left one's, but when we came to realize our differences we're back on are right ones. Although we didn't speak for awhile it seems as though we went through the same things at the same times, that's what I call "meant to be together."

Let's have fun during the summer and <u>go</u> my dear, stay out of trouble and remember what we always talk about: Let things happen as they happen, don't hold back on your feelings.

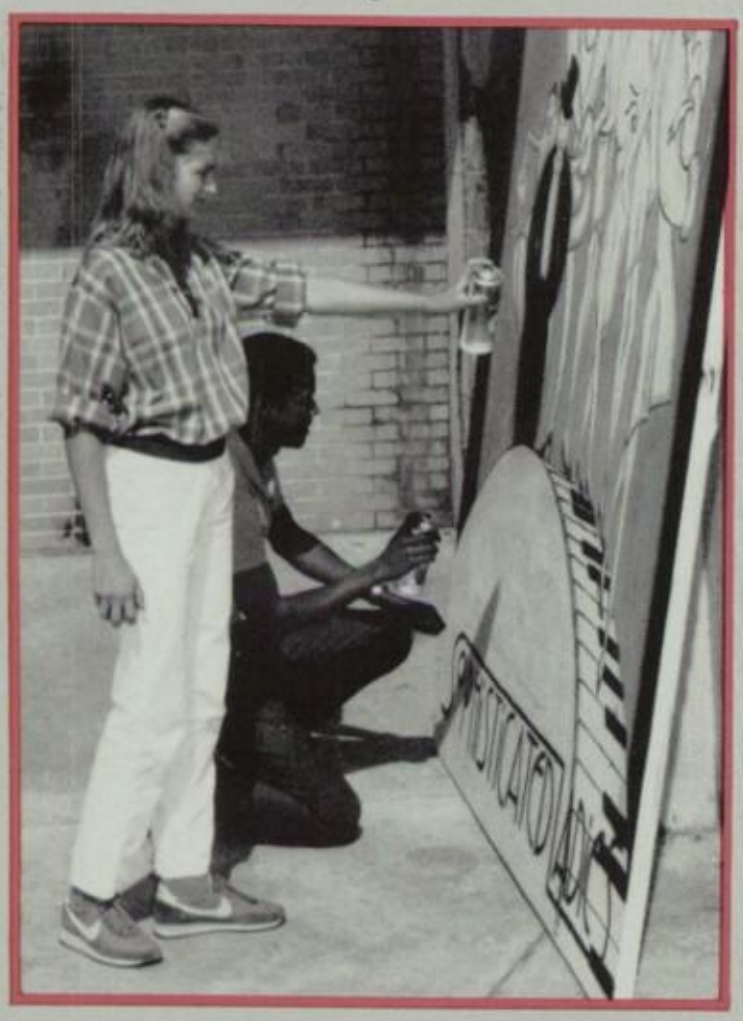
Tribal Unity . . .



After the first trail of Woodland's existence, the Buccaneer and Highlander became the Warrior. A strong spirit of unity developed and Woodland became a unique school with its own personality. During the second year this spirit grew tremendously to form a strong sense of tribal unity.

This unified tribe of Warriors indicated pride for Woodland. The students expressed their devotion by getting involved in extra-curricular activities promoting the school. The Warriors were well known for their enormous dedication.

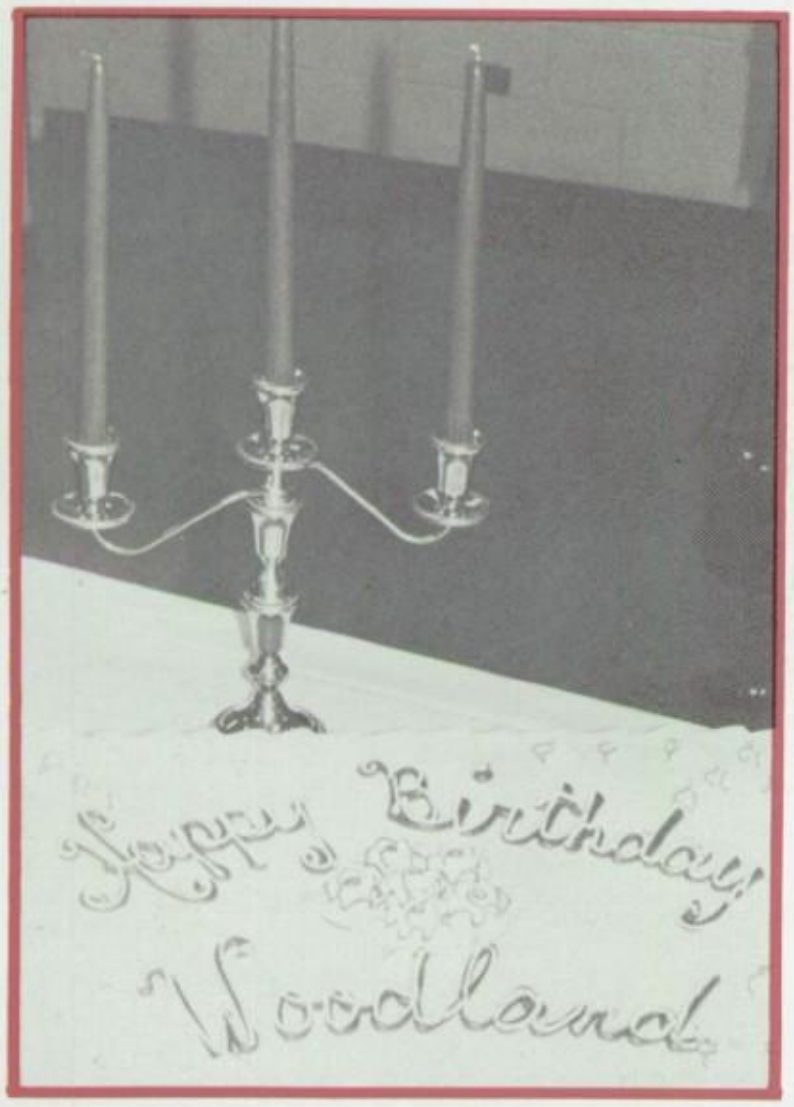
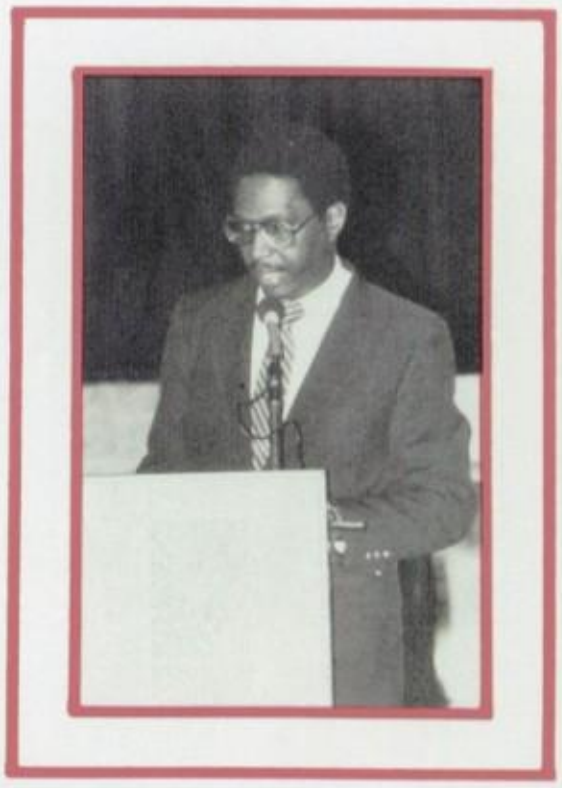
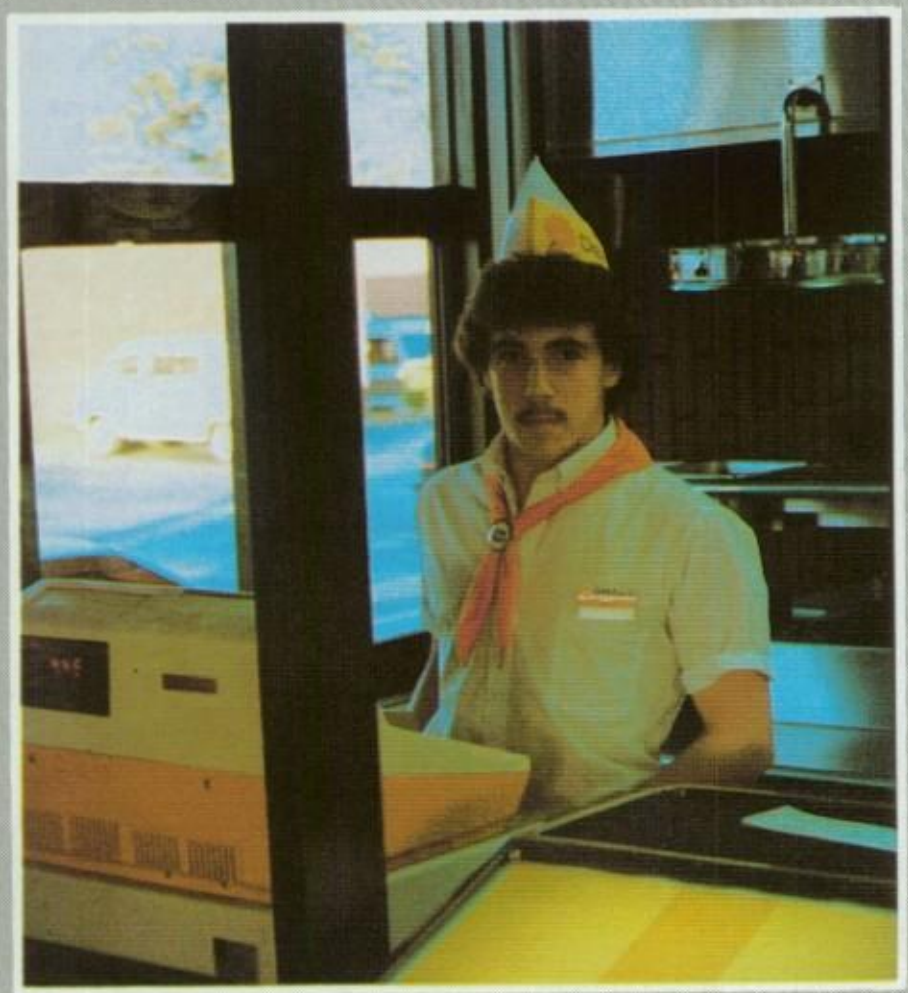
Community Affairs





Not only were the students dedicated but the faculty and parents also participated in the progress of Woodland High. A monthly publication entitled **The Signal** was sent to the parents of every student. This newsletter informed the parents of events happening at the school.

Working



Students

Many students took on additional responsibilities by excelling in the working world and their academic studies. These students attended school for a half day and were "on the job" for the other half. The experiences they gained will be valuable in their prosperous futures.

Students were recognized as National Scholarship Finalists, Semifinalists for the McDonald's All-American Band, members of the South Metro All-Star Football team, All-Star Drillettes, All-State Band, South County Chorale and many other outstanding recognitions. Many other students excelled by attaining honor roll and pefect attendance. Not only did indiviuals excel but Woodland High School as a whole also achieved outstanding merits. The faculty, students, and custodial staff earned respect and joined together to become a model school for Fulton County.

Class Of 84/Seniors!

The class of 1984 was the basic stimulant throughout the school year. On homecoming, seniors worked long and hard to perfect the banner which had the theme of **West Side Story.** Jennifer Bailey and Bridgette Binford represented the class during homecoming, while Piper Howse was crowned Miss Homecoming. The seniors, although outnumbered, strove to provide leadership and display school spirit. The student body was enriched by their day to day participation and accomplishments. Woodland's second graduating class continues the tradition of promoting tribal unity and remaining a contributing asset to the school. The class would like to thank their sponsor, Mr. Thornton, for all of his guidance.

A lovely sister in Christ.

This one thing I must tell you on a serious level and that is you have to enter into the deeper things of God soon because I believe you just have a firm foundation in the spirit. When I say a firm foundation I mean mature. Continue to grow in and you need to be fed more spiritually for God and I believe you will be enough in the revelation, for the seminary because Satin get stronger and stronger as you continue to get stronger and you sometimes you might not think so but they really are searching for a light, truth and we have to be that way and light for them to come to. I love you forever.

To Joycene:
("Praise the Lord")
You are truly a child that God has smiled upon; I love you Joycene and pray that God will continue to bless you richly. I have been watching you ever ~~since~~ since the 2nd quarter, and I was inspired to see such a young girl like yourself that really has a love for the Lord. You have made the biggest decision in your life, and that is accepting Jesus Christ in your heart. Don't ever worry about "you" becaus how bad people may talk about "you". They see they hate God before they hate "you". They see God's Glory upon your holy body. I pray that you study hard in school and be courteous like you always are ... Remeber, no matter what happens on this earth Jesus will always be with you and I shall see you again.

Class Of 85/Juniors!

The Juniors had a very successful year which will always be remembered. The year began with all Juniors showing their spirit in Pep Rallies and Homecoming activities. They entered a banner in the Homecoming festivities entitled "Sophisticated Ladies" which represented the refinement and naiveté of the Junior class. Malaika Cooper and Ingrid Worrill, who possessed these qualities, represented the class. The officers and sponsors of the Junior class organized several very successful fundraisers which includes sponsoring the Homecoming Dance, magazine, and school T-Shirt sales. This, along with plenty of hard work and dedication helped the Junior class to end its year with an excellent Junior/Senior Prom.

The Sophomore class has had a prosperous year. Under the superb leadership of the class sponsor, Mrs. Kimes of the English Department, and the deligent class officers, the class of 86 has shown it's spirit by winning the overall Spirit Competition during the football season.

The class entered a banner in the Homecoming festivities and has shown its appreciation to Woodland by having the best table decorations for the Birthday Tea and Principal Reception. Class Of 87/Freshmen!

This year's Freshman class rushed through the year excited about all of the opportunities and challenges that faced them. The exciting year began with the Freshman class entering a banner in the Homecoming activities. Carla Owens and Antoinette Cooksey represented the class during Homecoming. The class undertook their first fund-raising activity by selling Christmas ornaments which proved to be very succesful. By the end of the year, they were adjusted to the fastpace of high school life. The class would like to thank Mrs. Carter for the support which she provided during the year. It was a year of success and dissappointments as Woodland's newest students learned a different way of life.

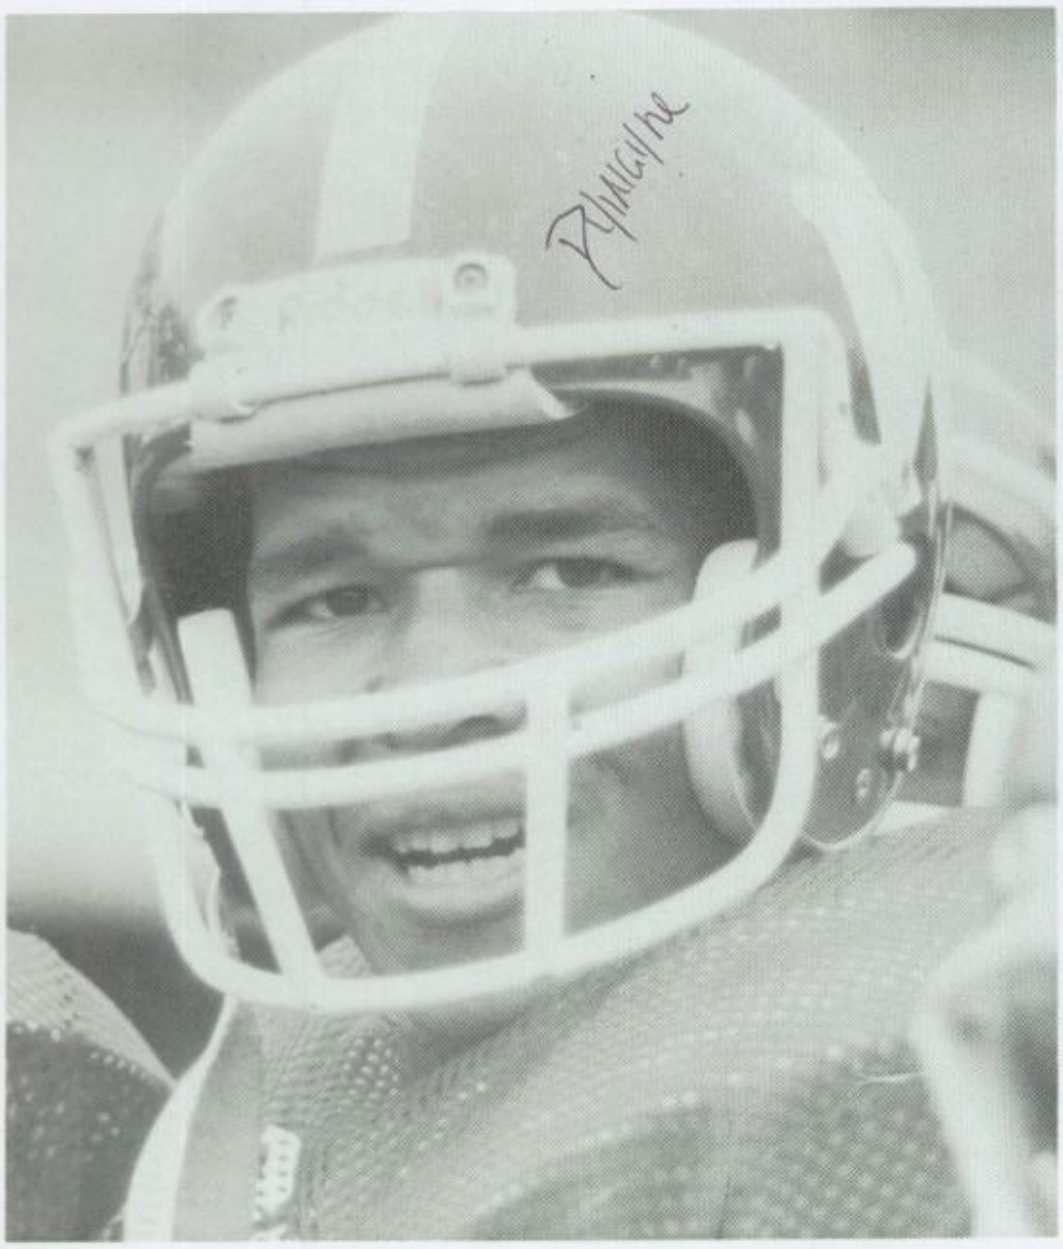
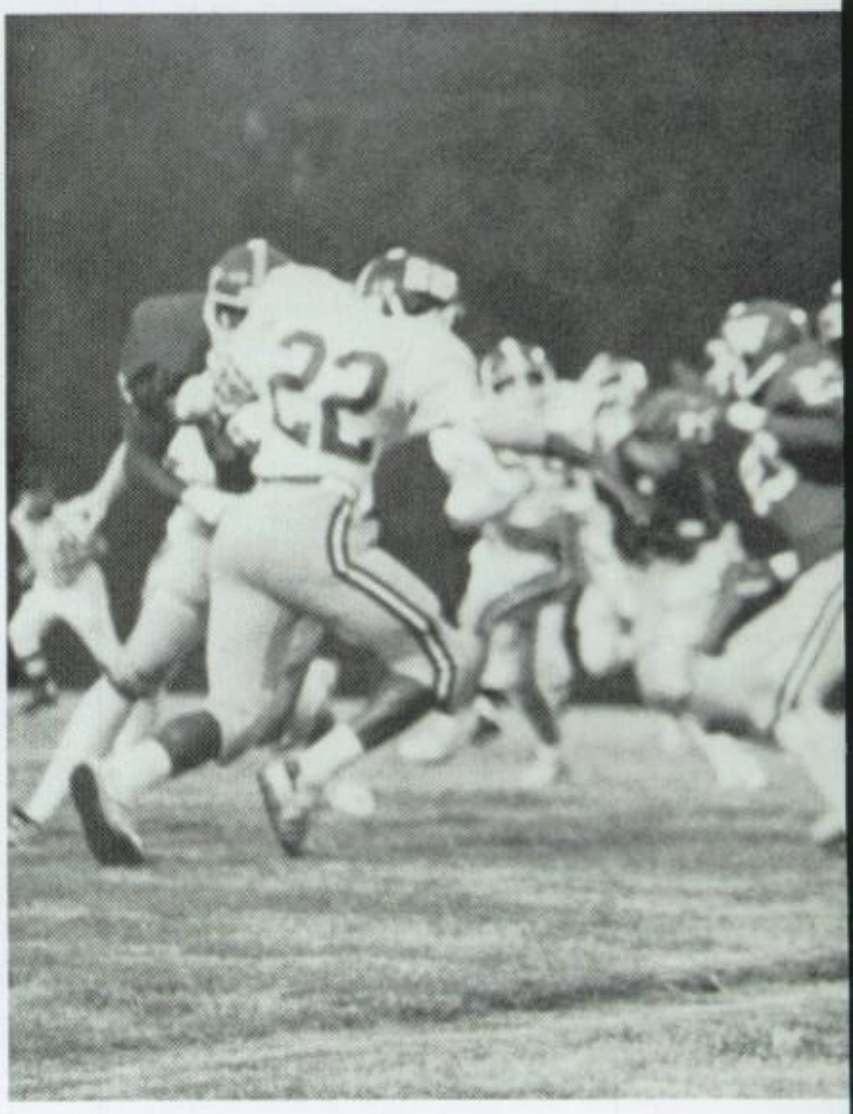
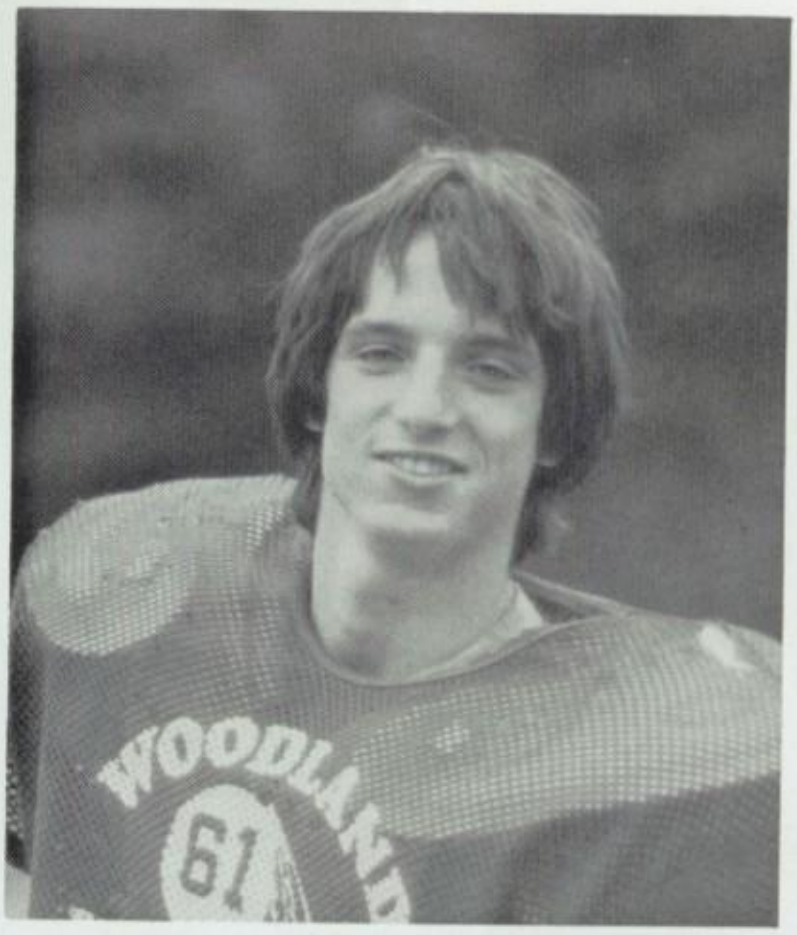
Go

Fight

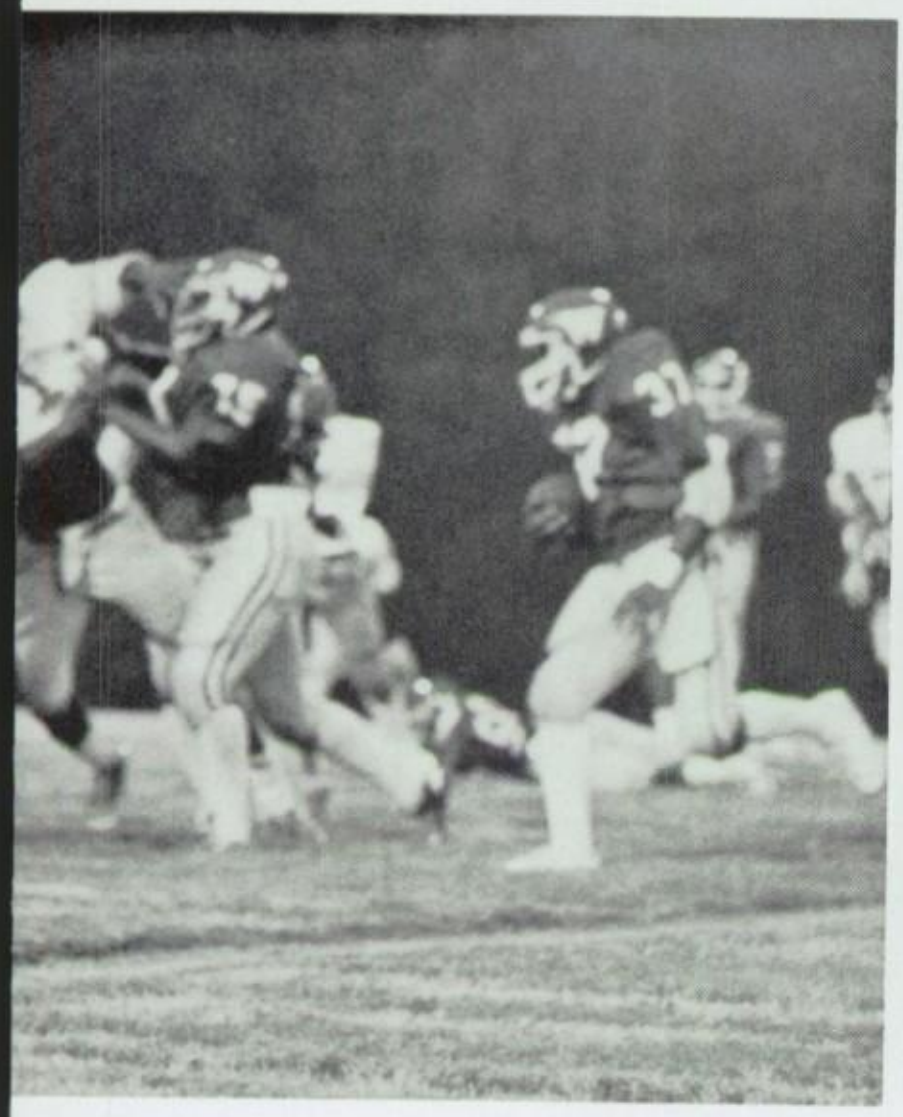


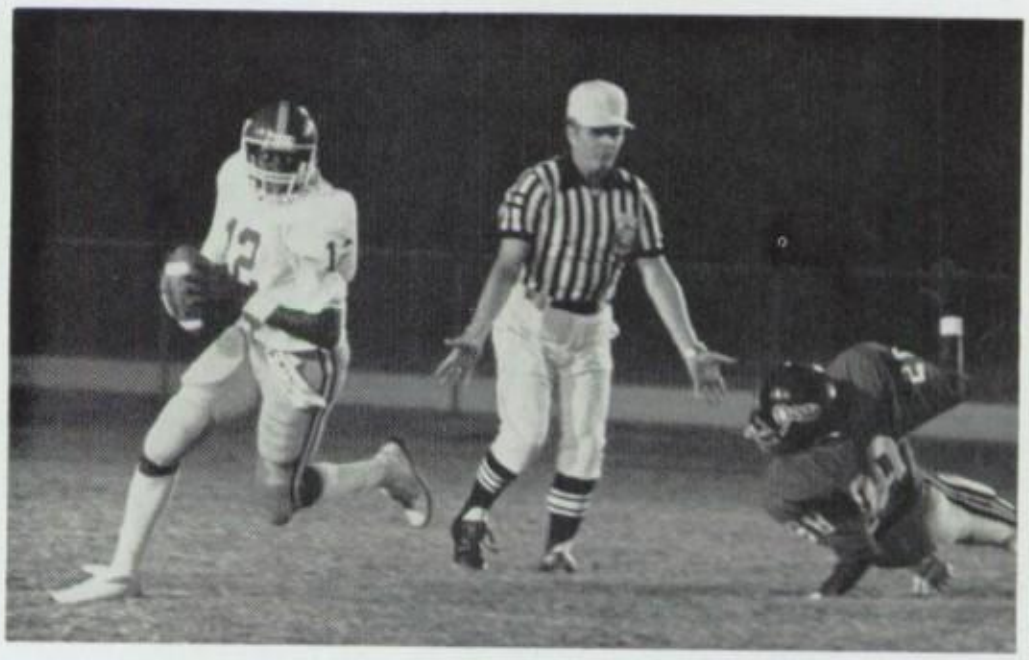


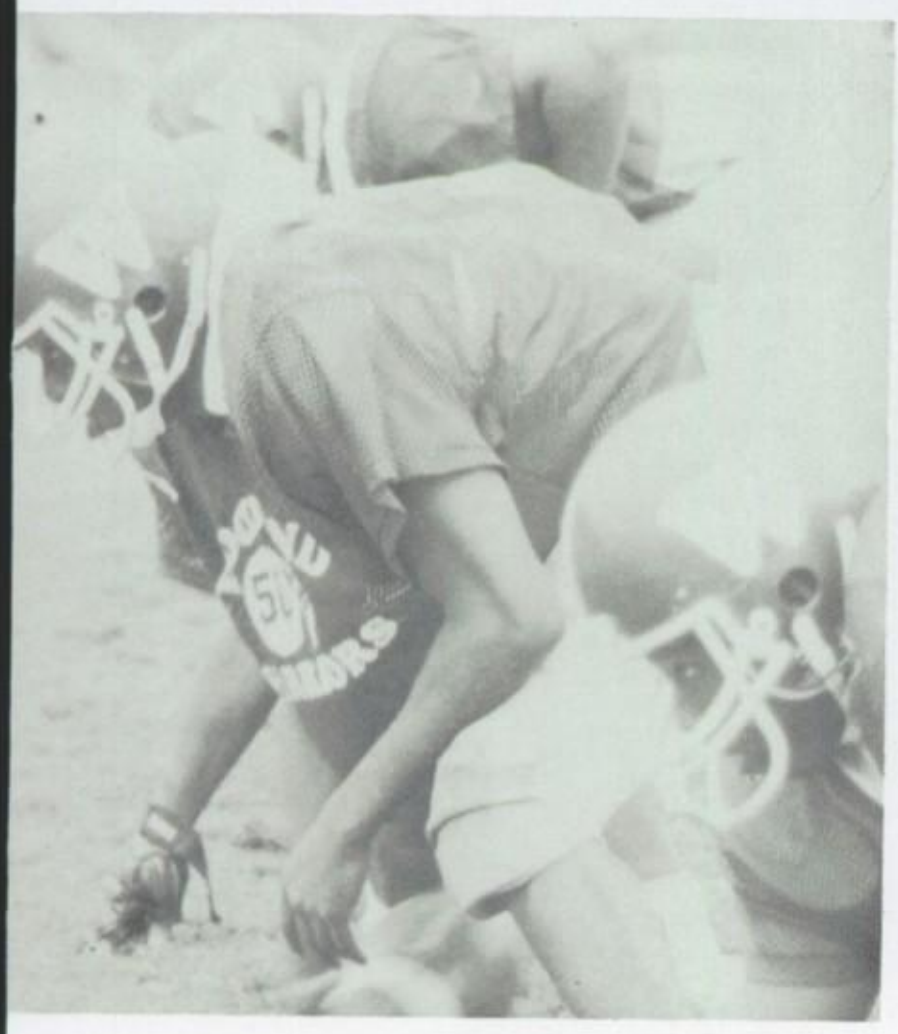
Winning is all about team spirit or rather "TRIBAL UNITY." Seldom is a successful team characterized by a "one man show," such was the case of the Warriors.



Win







With this idea in mind, the Warrior team became a unified body producing a win-loss record of which we can be proud.

The Berry family

Introducing Mr. Larry Berry

Mr. Larry C. Berry came to Woodland with many new ideas and changes. Some positive philosophies that were enforced this year by our principal were, trying to promote a good learning atmosphere and a program that catered to each students' personal needs for achievement. He also feels that good working relationships between students, teachers, and the community are very important. This was displayed through the teacher bulletins, school newsletter, and the morning and afternoon announcements.

Mr. Berry's educational background includes an AB degree in Political Science from the University of Georgia. He also attended Georgia State where he got a Masters in Education Administration.

Mrs. Presley

With the involvement of the U.S. in foreign affairs and many political issues, the Social Studies and History program of this past year was based on many of the current events of 1983-84. The students were entertained as well as enhanced through visual aids, intense studies of different cultures, and reenactments of incidents of our society's political system, such as a video taped courtroom scene put on by one of the Law classes first quarter. Such involvement with the students created better understanding of our society and what goes on in the world.

Mrs. Nolan

The qualified staff of the Science Department did a fine job of creating experiences to help each student understand their studies better. From dissecting cats in Human Physiology, to mixing chemicals in Chemistry, the Science teachers shared with their classes knowledge of what makes things "tick" and why.

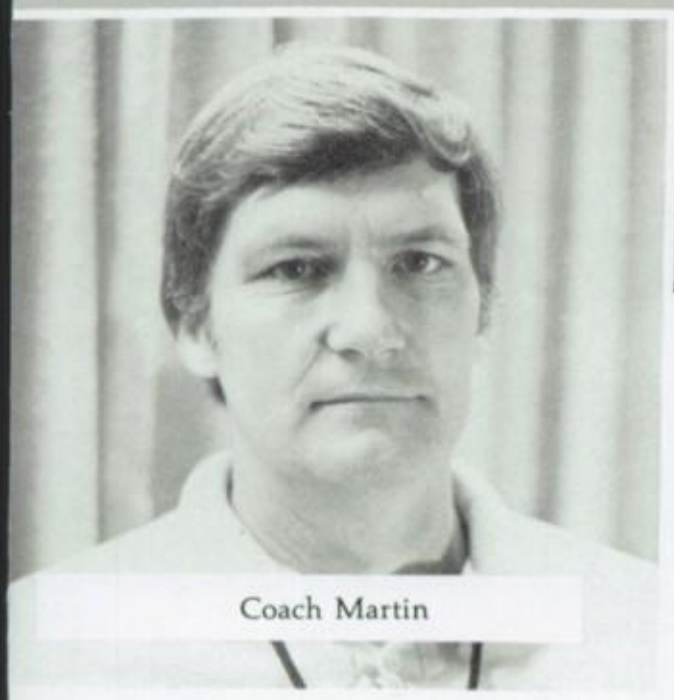
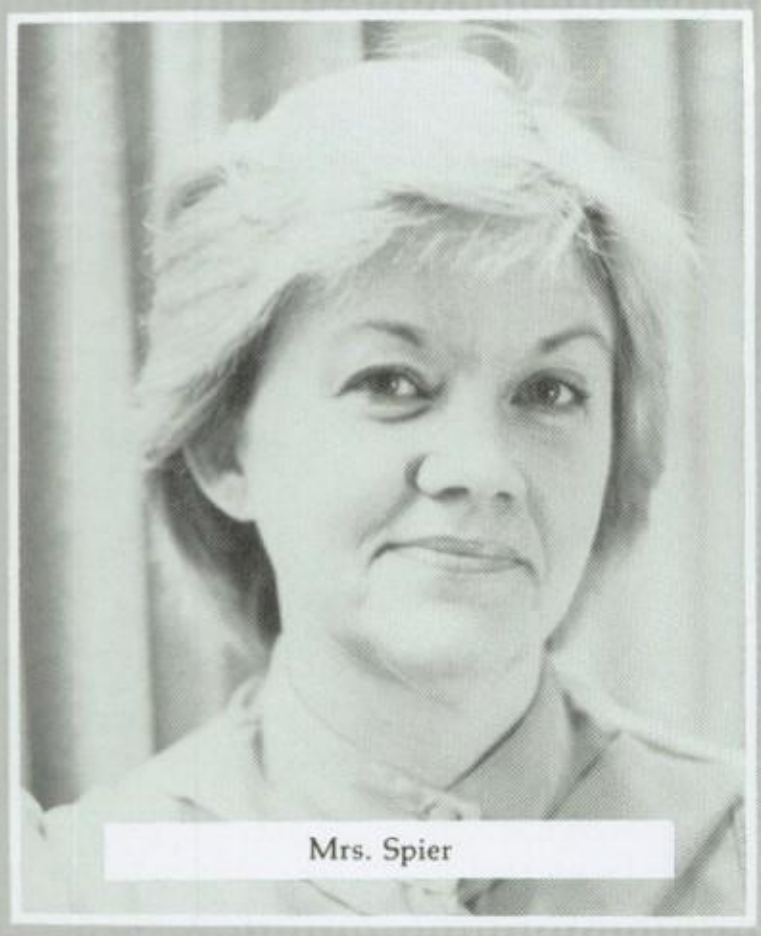
WOODLAND



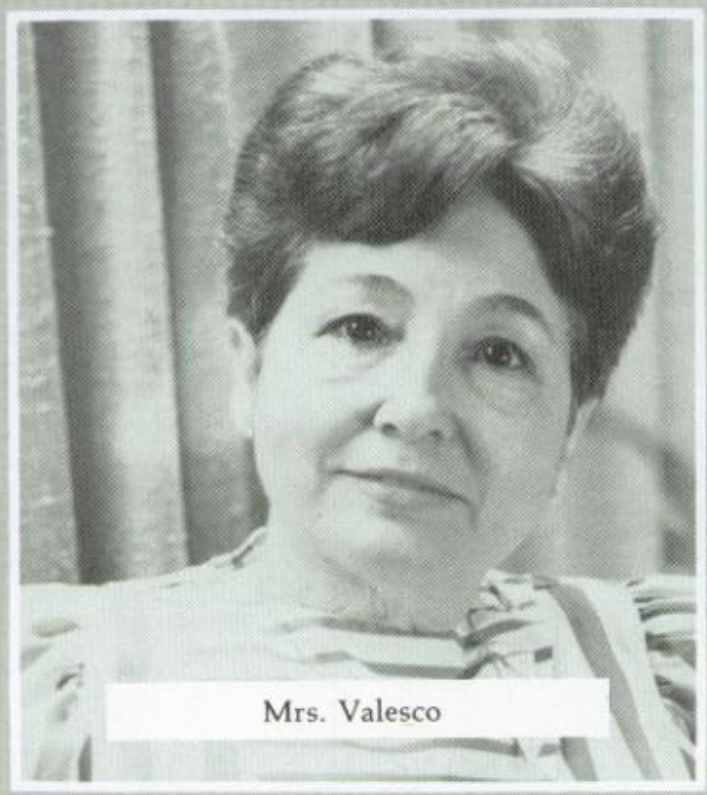
Coach Martin

Woodland's Physical Education Department provides a variety of recreation to please and teach students in almost every area of sports. Second quarter a new area of P.E. was added to the curriculum, this being Modern Dance. The P.E. department also branches into areas of First aid and Health. As displayed this previous year, Woodland's Recreational Department caters to many facets of tastes and balances well with the Academics.

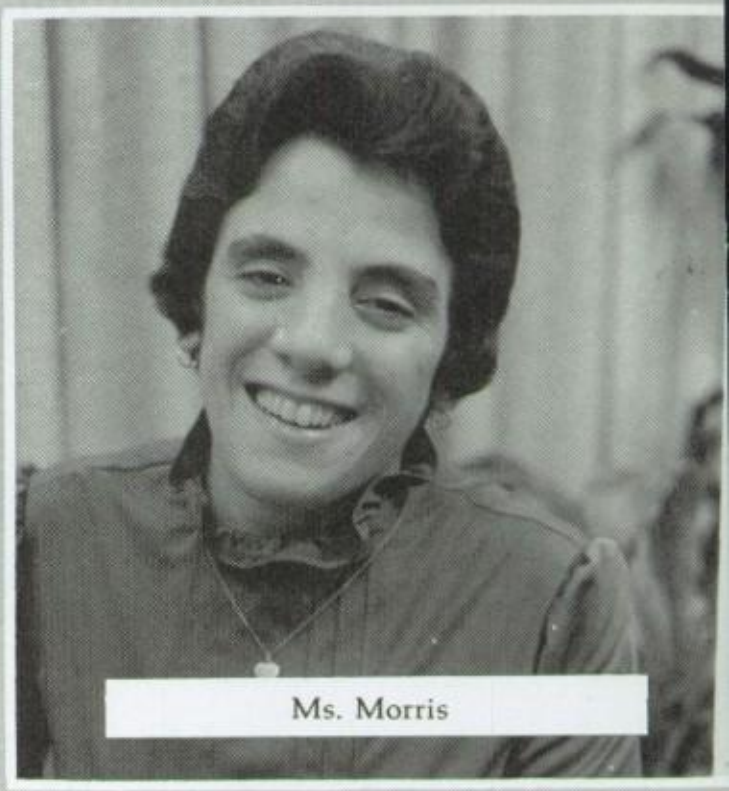
Foreign Language & Home Economics



Mrs. Spier



Mrs. Valesco



Ms. Morris

Foreign Languages this year covered studies of French, Spanish, and Latin heritages. Ms. Speir, Mrs. Velasco, and Ms. Morris all did a superb job of teaching students a foreign talent in speech and in culture.

The Home Economics Department also enriched the lives of Woodland's students by guiding them in basic cooking and sewing. They sponsored a Teacher's Tea and studied various recipes according to occasions. Along with these fields of study, Ms. McKee and Mrs. Paris gave much instruction and assistance in both in and out of class this past year.

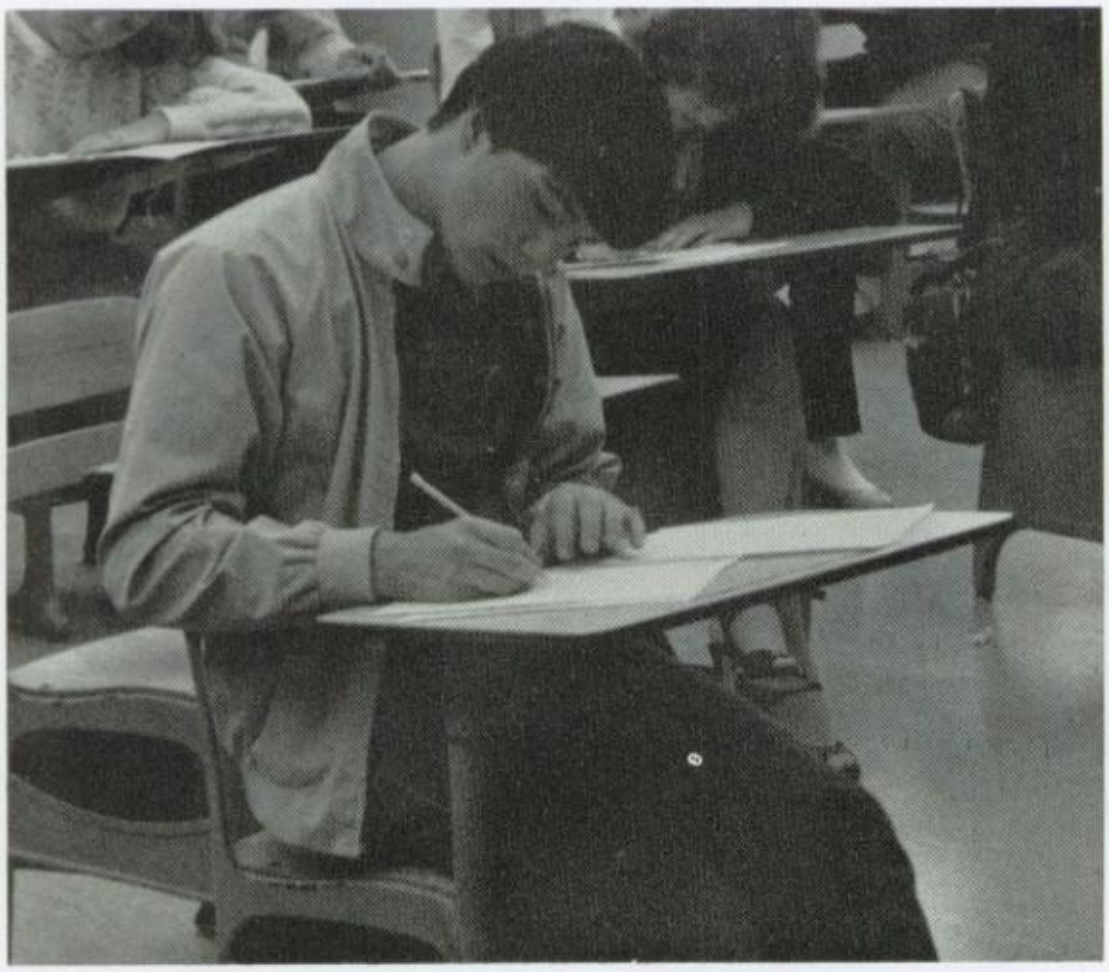
Dr. Clark

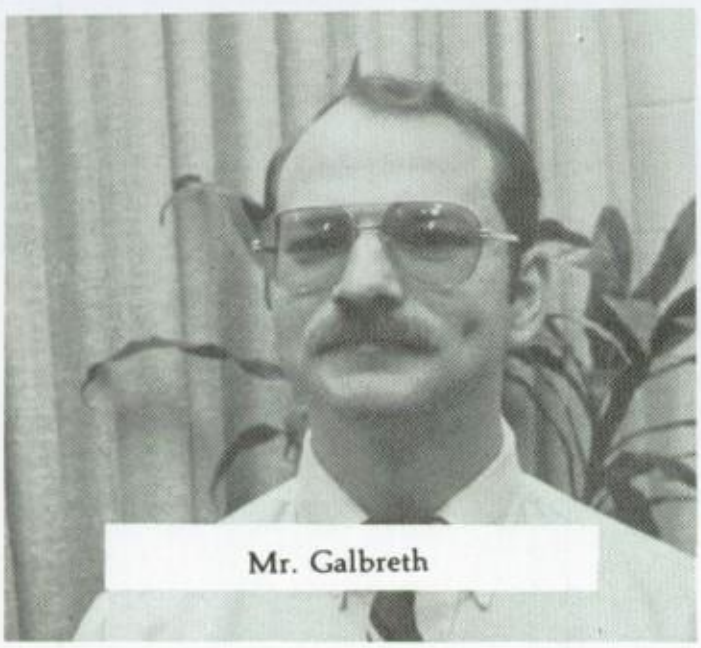
Mrs. McKee

The highly qualified staff of the Business department of Woodland High School, helped classes explore areas of finance, shorthand, typing, and especially computer comprehension. Some of the lessons involved studies from a textbook written by a member of our very own staff, Dr. Jim Clark. Through our Business Department students have become more aware of the advancements of today's business world and pointers on how to survive.

Exceptional Child Educators

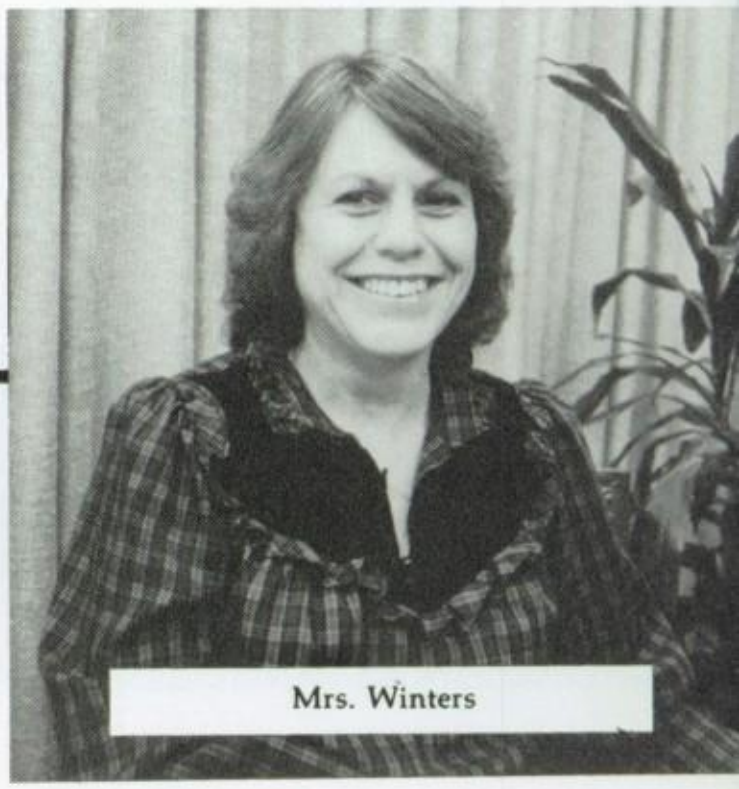


Ms. Persons



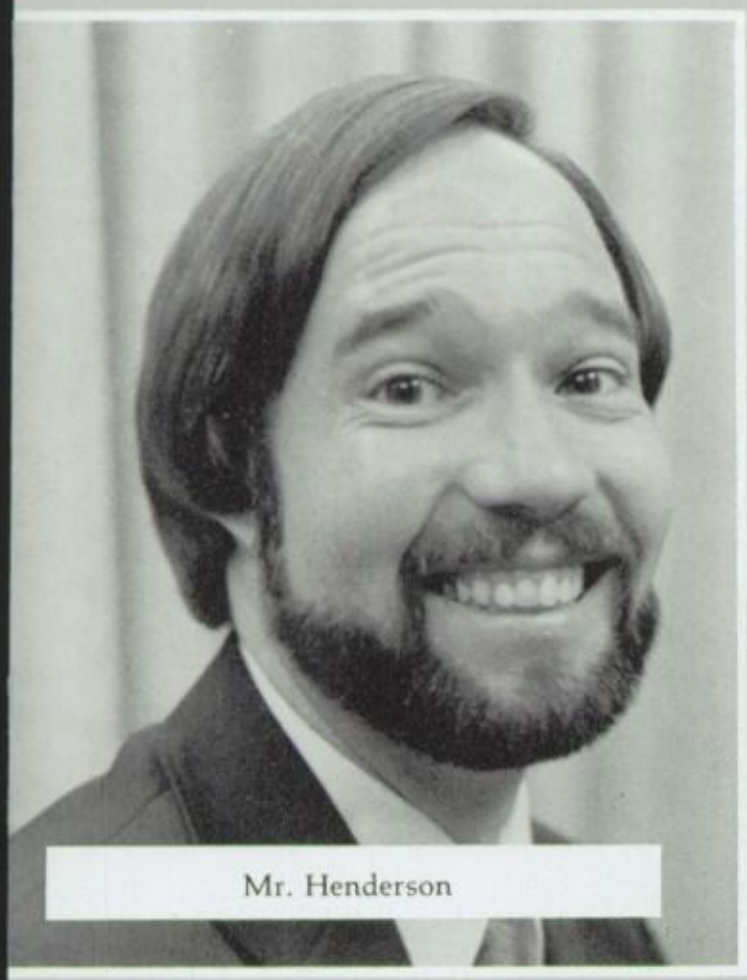
Mr. Galbreth

This year's Department for Exceptional Students was good in aiding these youngsters outside of their regular classes. Building English and Math skills helped many students with their regular classes. Also the extra activities of T.A.G. gave outstanding achievers the opportunity to be involved in things like Academic Bowl, Dance, and various educational seminars.

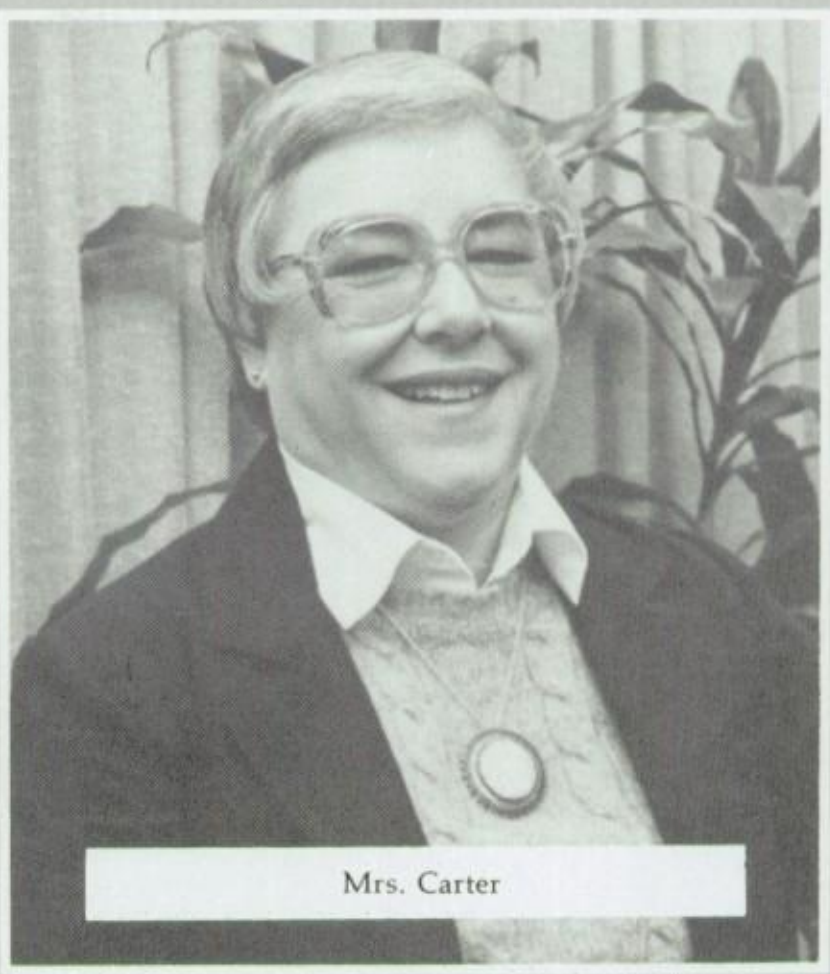


Mrs. Winters

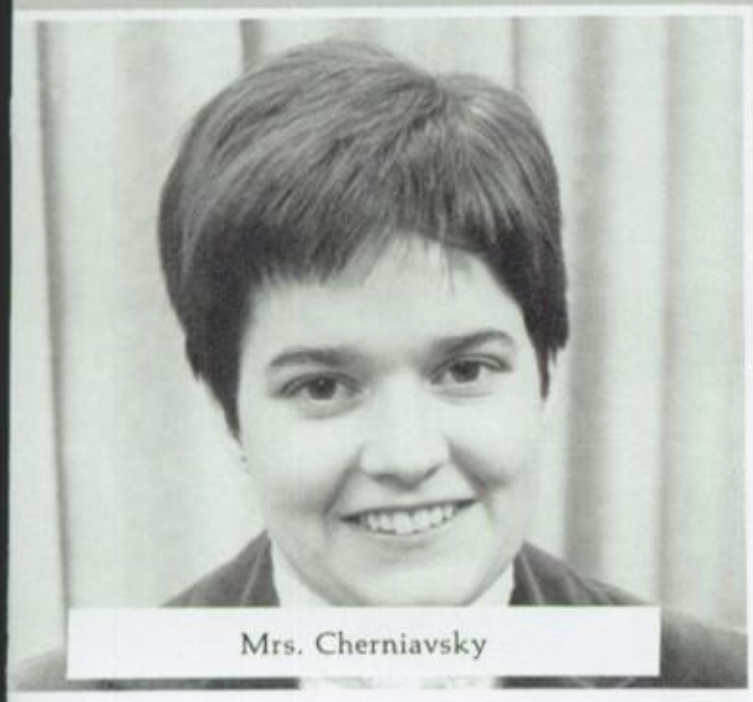
Music Educators



Mr. Henderson



Mrs. Carter



Mrs. Cherniavsky

Our very talented Music Department has worked hard this year and it paid off in many aspects. The Warrior Marching Band and Concert Band entertained audiences magnificently. The Orchestra, directed by Ms. Leary, performed here and toured to Tennessee where they performed with other groups their age. Our Chorale and Mixed Chorus, led by Mrs. Carter, gave students a chance to perform at the PTSA Convention and serve as an exchange choir in Virginia.

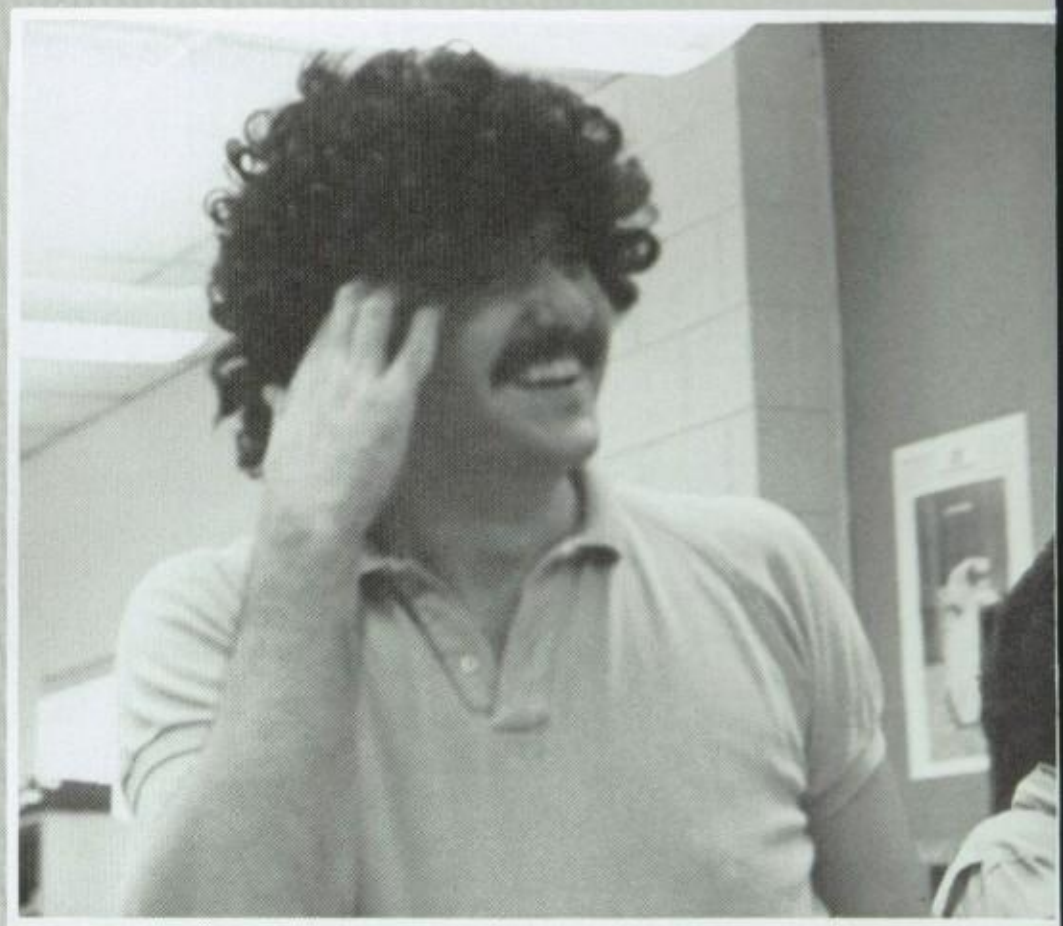
Mr. Paris



The purpose of this past Industrial art and regular art department was to encourage advancement in expression of young people through various art forms such as wood design, jewelry making, painting, drafting, sculpting, and studying art around the world as compared to that of the U.S.

DCT and Vocational Education are designed to help students in the fields of skilled lab or help start these youngsters by allowing them to work and attend school.

Band 1983-84 The Best

Under the leadership of our new band director, George Henderson, the Woodland Warrior Marching Band improved tremendously!! They razzled and dazzled their audiences during half time shows with precise formations and sensational sound. The band members took part in producing the actual shows, which made their performances more exciting. They also participated in the Fulton County Band Festival and although it wasn't judged, Woodland was definitely the best band. Our band had two members to be nominated for the McDonald's All-American High School Band and they were Shelley Miller, our drum major, and Dock Anderson.

Advisor: Mr. Paris

Editor: Kim Harper

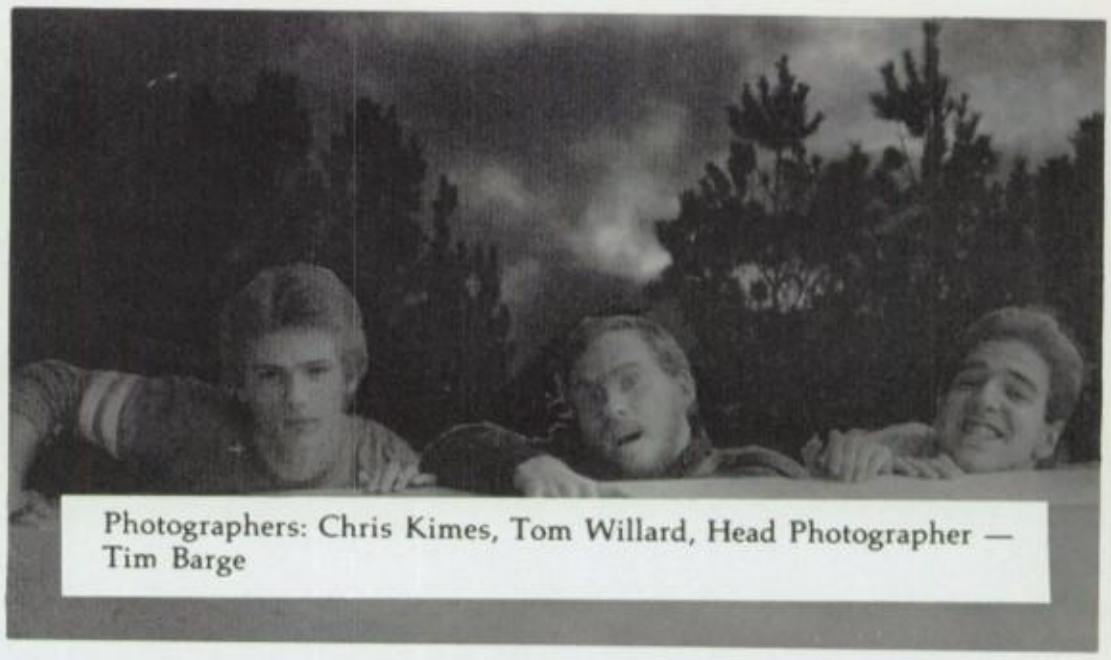
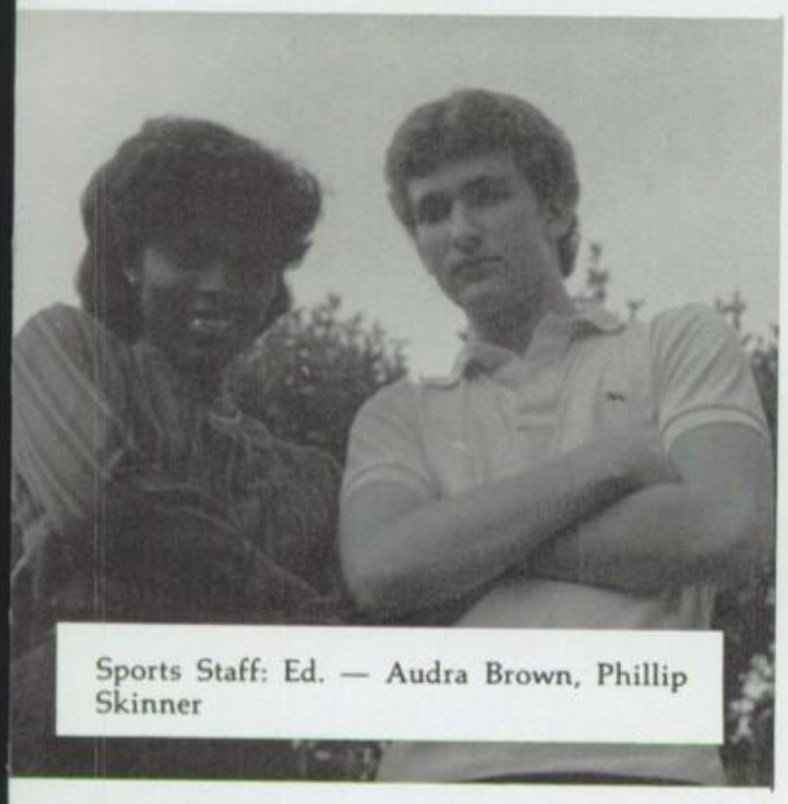
Faculty Staff: Kim Hayes, Lisa Bryant, Ingrid Worrill — Ed.



Photographers: Chris Kimes, Tom Willard, Head Photographer — Tim Barge



Sports Staff: Ed. — Audra Brown, Phillip Skinner

Organizations Staff: Tracie Greene, Ed. — Natalie Newman, Kim Rich

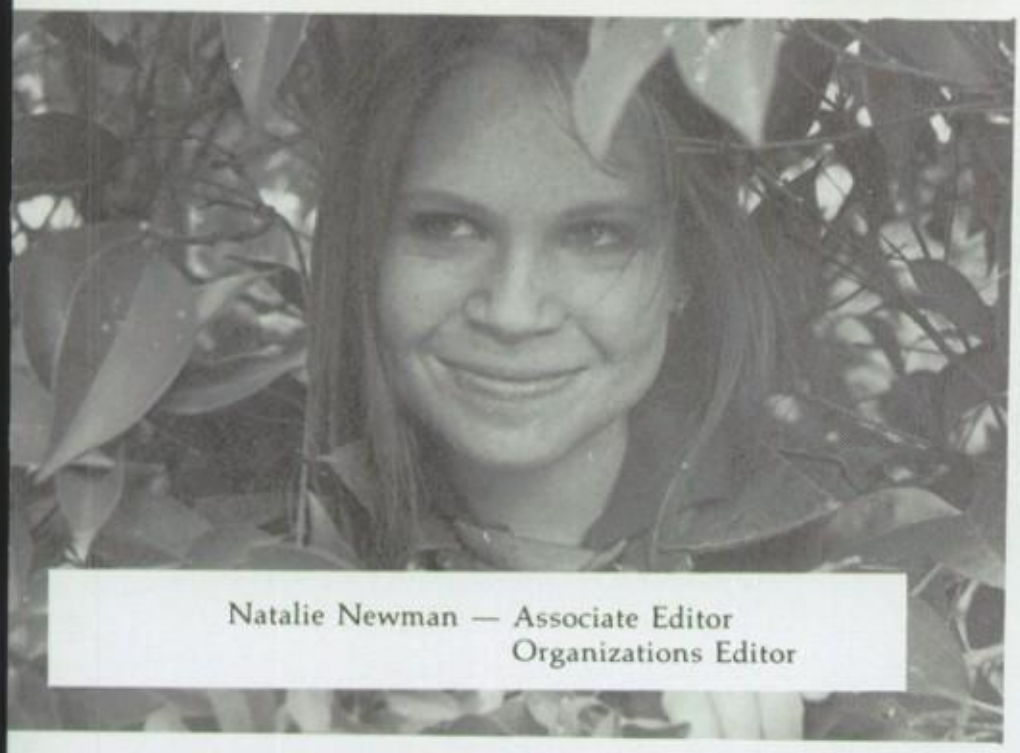
Business Staff: Ed. — Jill Nalls, Eugene Rhodes, Cheryl Johnson

The 1983-'84 Trailblazer Staff consisted of a talented group of students. While lacking seriousness at times, they managed to create an annual that followed the tradition established at Woodland High School.

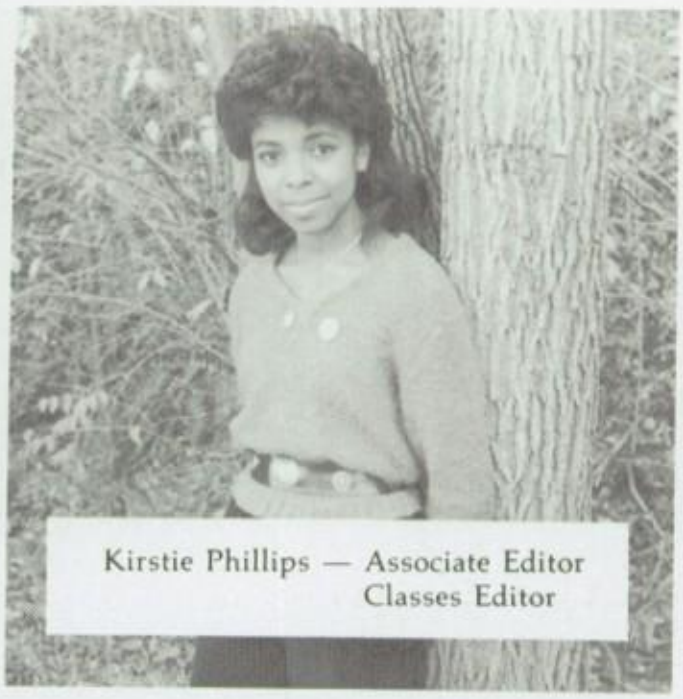
Mr. Paris, the advisor, provided sound support and guidance while being under great pressure. Through him the staff learned much about creating a quality yearbook.

The Editors

Kimberly Harper — Editor-in-chief

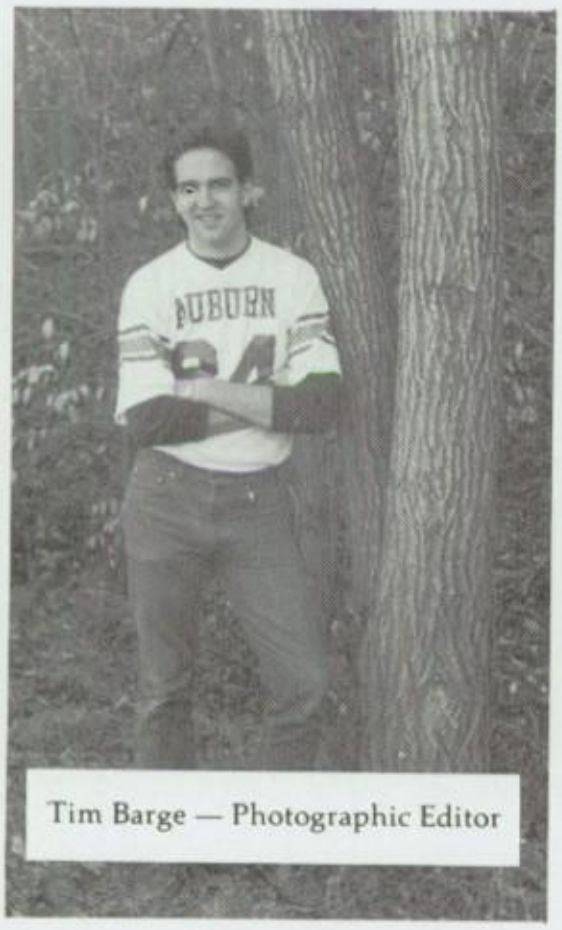


Natalie Newman — Associate Editor
Organizations Editor

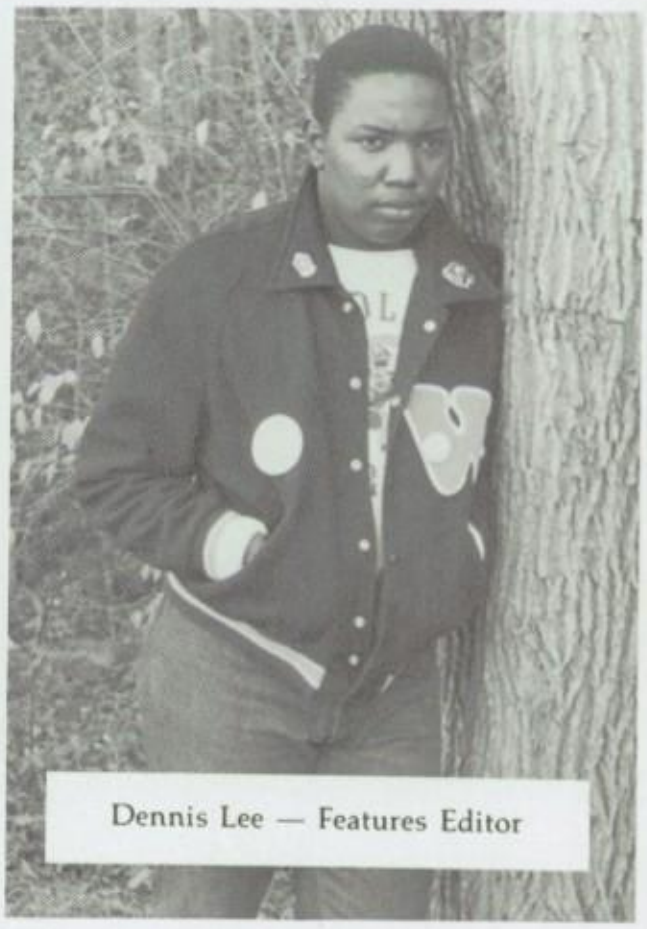


Kirstie Phillips — Associate Editor
Classes Editor

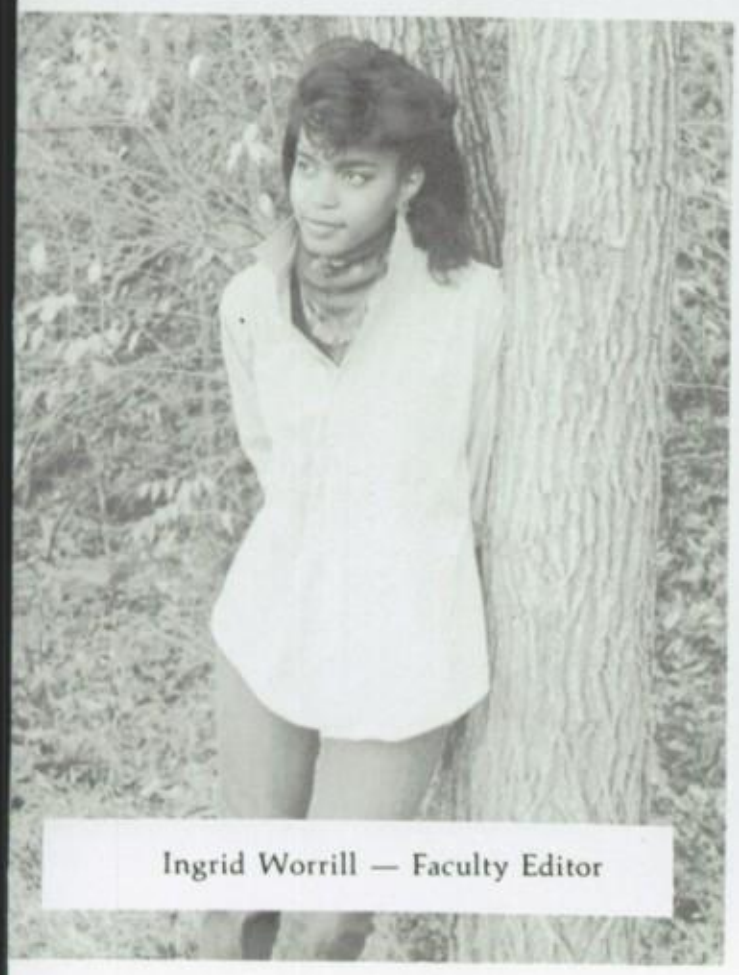
Jill Nalls — Business Editor



Tim Barge — Photographic Editor



Dennis Lee — Features Editor



Ingrid Worrill — Faculty Editor

Audra Brown — Sports Editor

The Editors of the 1984 Trailblazer were faced with a tremendous objective to achieve. One would think that producing a yearbook would be an easy and enjoyable task. Although there was some enjoyment involved, the majority of the work accomplished was a valuable learning experience. In general, producing a yearbook is similar to running a small business. The editors worked under stressful conditions, but the result was worth it all. The second staff to build the Trailblazer tradition upheld the standards to produce a quality yearbook. The entire yearbook staff would like to thank Mr. Paris for his patience and understanding.

It's a young lady that I am glad to call Friend. I want you to know that your Friendship means alot to me because you are a special person. "How Special I'm not sure" I'm not sure if you know it but on some days when I came to school this year (83-84) you helped lighten the load on the days that I felt just couldn't make it. I think the way you and Marcus are carrying on is okay but I'm too much of a wild person to settle down. I hope that as we grow up together and mature you can help me do the same also. All in all I think you are a very sweet and very different person and that's the only reason I like you.
